MEMORANDUM FOR THE RECORD

SUBJECT: Third Phone Call from John Lehman, of Dr. Kissinger's Staff, Re Director's Possible Appearance Before Senator Symington's Subcommittee on 17 November 1969

1. At 5:20 p.m. this afternoon Mr. Lehman called to say he understood there were some problems regarding the time of the Director's appearance before the Symington Subcommittee on Monday. I said we still had heard nothing about this except what Lehman had told us. He asked if I had been in touch with the Director and I said I had not. Lehman said he understood the Director and Ambassador Unger had "worked out a minuet" for the appearance on Monday. I said this was news to me.

2. Mr. Lehman suggested I call Mr. Pincus and explain that since the Director was attending an 8:00 a.m. meeting at the White House on Monday, we would appreciate their delaying his appearance before the Symington Subcommittee until 11:00 a.m. He asked if I would be sure to do this, since he had told State tentatively that I would do so. I replied that I thought I could take care of it. Mr. Lehman asked if I would get in touch with him if there was any change.
